Remember both steps:

1. Book your appointment.
2. Make your purchase

**Book an Appointment:** Go to [MasonMarchingPhotos.com](https://MasonMarchingPhotos.com) and click on “Book Appointment.” From the BOOK PORTRAIT SITTING page, click on “Book Now” for either Guard or Band bookings. Please note you need to select the correct booking group for your student. You will need to select the date since there are two to choose from (please look carefully) then click on a time and available slot that works for you. **The time you select is when your student should be PHOTO READY.** **Arrive earlier than scheduled time to get into uniform and check in.**

**Families with more than one student** are asked to **please book separate appointments** and **place individual orders for each student.** Place an additional order for joint portraits if desired. We know this is a hassle and an extra step, but it causes issues and errors when multiple persons are tied to a single order. Thank you for cooperating on this.

**Place an Order:** After completing the appointment booking, navigate to the “Order Portraits” page to order your desired portrait package (prices range from \$15 to \$40). Please note that Add-On items are only available if a Portrait Package is purchased. All orders are prepaid to reduce contact for infection control. You will receive separate appointment booking and order confirmation emails.

**On Portrait Day:** Students must be checked in and PHOTO READY by their appointment time. Please arrive early to get into uniform and ready for your portrait. Hair and makeup is the student's choice. The shako is not worn, but you will have the choice to hold it and/or your instrument, sticks, mallets, flag or rifle if you like. Note: Students with larger instruments may want to consider posing without them because the instrument and student sometimes cannot both fit into the photo frame.

**Special Needs:** If any students have special needs, please communicate any adaptations that we need to make. Any information shared will be kept confidential and only used to make the student as comfortable as possible during the photo session.

**Questions?** Contact our Photo Committee Co-Chair Gina Marshall at [MasonMarchingPhotos@gmail.com](mailto:MasonMarchingPhotos@gmail.com) if you have any questions.

**Order deadline  
September 7!**

Placing all orders two days before the first picture day allows us to review, organize, and print order sheets to be ready for picture day.

**Masks must be worn at all times when not actively posing for a portrait!**

## Add ons

Add-On items are only available if a Portrait Package is purchased. If you submit an order for only Add-On items, the order will be cancelled unless you previously ordered a package and are "adding-on." Depending on the timing of your Add-On order, you may be required to pay extra shipping charges.

## Featured Add-On: Personalized Buttons

We are encouraging parents to order 3 inch portrait buttons to wear at all events. It's a great way to show support for your student and will serve as a touchpoint to foster more interaction helping parents and directors get to know each other and their students better. Buttons are also available without personalization on request.
